Dear Colleague,

## **NEW BUYING GROUP SUPPLIER - BOYD COOPER**

The LMC Buying Group is now able to send out introductory information about our new approved supplier:

### ***Approved Supplier: Staff uniforms – Boyd Cooper***

Boyd Cooper is the trading name used by Dimensions for their healthcare uniforms. Its move into the provision of medical uniforms dates back to the mid-nineteenth century when nursing was introduced to the world as a profession. In more recent history Boyd Cooper has concentrated on the niche market of medical clothing and in particular nurse uniforms for both the Public and Private sectors, and all apparel requirements of the Primary Care sector.

Boyd Cooper have selected a core range of garments within their Healthcare and Corporate range and are offering discounts of up to 36% to all LMC Buying Group members.

A price list is attached to this email. This information will be posted to the Buying Group Section of the LMC's website: <http://www.norfolkwaveneylmc.org.uk/buying.php>.

You will be sent an information sheet about Boyd Cooper to add to your Welcome Pack shortly.

We hope these new deals will be of interest to you and will help you make future savings.

Yours sincerely

Naomi Lockett  
Executive Officer
