Dear Colleague,

New Buying Group Supplier

The LMC Buying Group recently contacted you with information about the first of its new suppliers, Contract Fire Security. We are now able to send out introductory information about its second new supplier:

***Accredited Supplier:* WILLIAMS MEDICAL SUPPLIES LTD - Health and Safety Management Systems**

Please note that Williams Medical Supplies Ltd is not an *approved* supplier of medical consumables and equipment, this is MidMeds, but it is an *accredited* supplier. (Details of the Buying Group's categorisation can be found in your Welcome Pack or in the May 2010 Practice Managers' Newsletter.)

Williams Medical Supplies' specialist health and safety team has the expertise and experience to guide your practice through what can be very complex and confusing legislation and with fines for not complying with Health and Safety rules, it is important that practices comply with the latest laws and regulations.

Williams' Health and Safety Service offers:

- Initial Benchmarking
- Health and Safety Management System
- Staff Training

Prices and more information about CFS's products and services are attached to this email and will be posted to the Buying Group section of the LMC's website <http://www.norfolkwaveneylmc.org.uk/buying.php>.

You will be sent an information sheet about Williams Medical Supplies Ltd to add to your Welcome Pack in due course.

We hope these new deals will be of interest and will help you make future savings.

Yours sincerely

Naomi Lockett
Executive Officer
